GLASSNOW COLOR CHOICES

Explore the Full Spectrum

We offer an extensive range of in-stock colors available in a variety of finishes—including **transparent, glossy, matte, frosted, iridescent, and metallic**. Browse glassnow.com to explore even more color and finish combinations, all designed to elevate your next product launch.

Love a design but not the color?

We offer **Custom Color** for special production runs—so you can get the perfect hue to match your brand or seasonal collection.

Visit glassnow.com/custom-color to get started.

CUSTOM MANUFACTURING

Turn Your Design Into Reality

For custom glass packaging solutions, rely on Glassnow to bring your ideas to life—simply provide us with a technical drawing of your concept, and we'll create your project to your precise specifications.

Glass design is only the beginning. We also offer:

- Custom Closures
- Printed Corks
- Embossed Lids
- Custom Labels

Minimum order quantities vary based on the type of customization.

To learn more and get started, visit
glassnow.com/custom-design.
